St Anthony’s student could be the next Broadway star!

Year 12 student, Madison Crase will be living every teenager’s dream next year when she makes the move to the big apple, New York City.

Madison was awarded a $10,000 scholarship to the New York Film Academy. This will allow her to partake in a one year musical theatre course where she will participate in 35-40 hours per week of singing and dancing.

Experienced dancers and singers who work on Broadway productions will teach Madison different routines and help maintain her vocal stability while dancing.

Madison is one of five international recipients out of 250 people who applied for this scholarship. When asked how she felt about this exciting opportunity, she couldn’t be happier.

“All I remember was crying of happiness when I found out I got the scholarship. I had no idea that I would be given such an amazing opportunity to study and get to do what I love most every day for a whole year.”

Madison is very grateful to her wonderful teachers at St Anthony’s Catholic College for always believing in her and giving her the confidence to believe in herself.

“This is all thanks to my teachers. There were times where I didn’t think I was good enough, but they were always there to help me through it all and calm me down. I wouldn’t have gone for any of this
if I didn’t have their support or pep talks. They have been such a big part of my journey and there aren’t enough words in the English language to express how grateful and thankful I am for their guidance and support.”
