Teachers honoured in Catholic Education Awards

Educators from across Gippsland and Melbourne's south-east have been recognised for their dedication with Diocese of Sale Catholic Education awards.

Director of Catholic Education for the Diocese of Sale, Ms Maria Kirkwood, congratulated the award winners.

"The Catholic Education Awards recognise outstanding commitment and contribution to Catholic education. The award winners reflect the aspirations of our Catholic communities to inspire faith and inspire learning. We are very proud of their commitment, achievements, and service," she said.

A total of 11 awards were announced for staff members from Catholic schools across the Diocese of Sale. The full list of Catholic Education Award recipients is available on the [DOSCEL website](#).

The annual awards would usually be presented during Catholic Education Week in May, but due to COVID-19 restrictions, recipients of this year's Catholic Education Awards will be recognised at a special Eucharist at St Joseph's Church, Warragul, in Term 4.
